#### Limited Review Report on the Unaudited Financial Results

# T the Board of Directors of I ■ nited Van Der Horst Ltd.

- We have reviewed the accompanying Statement of Unaudited Financial Results of United Van Der Horst Ltd. ("the Company") for the quarter and nine months ended 31/12/2017 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 05/07/2016. The financial results for the year ended 31/03/2017 included in the Statement were audited by the then statutory auditors of the Company whose reports have been furnished to us and have been relied upon by us for the purpose of our review of the Statement. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this Statement based on our review.
- We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

#### 3. Basis for Qualified Conclusion

The Company continues to prepare accounts on a going concern basis, despite accumulated losses as on 31/12/2017 being more than 50% of the average net worth during the four years immediately preceding the current financial year. The reason for the losses and the Management's assessment of the Company's ability to continue as a going concern as per note 4 to the Statement have been relied upon.

### 4. Qualified Conclusion

Based on our review conducted as above, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there-under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 05/07/2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

 We have not reviewed the financial results and other financial information for the quarter and nine months ended 31/12/2016 which have been presented in the Statement solely based on the information compiled by the Management.

- 3. As per past practice, revenue is recognized on raising invoice and based on technical inspection. Closing inventory is valued based on work certified by technical personnel.
- 4. Due to lower sales/income and higher depreciation on the enhanced value of leasehold land and building, there is a loss during the current period. Consequently, net worth of the Company continues to be negative. The Management is examining available options to increase sales/income from operations and achieve profitability. Barring unforeseen circumstances beyond the control of the Company, the Management is confident about the Company's ability to continue as a going concern. Based thereupon and considering projected revenues / cash flows, the accounts have been prepared on a going concern basis.

Expense, Assets and Liabilities in the Company's business are not identified to any of the reportable segments, as these are used interchangeably between segments. The Management believes that it is not practicable to provide segment disclosures relating to total expenses, assets and liabilities since a meaningful segregation of the available data is onerous.
